

# MAZE 4

Did You Know?

**Fun Fact:**

The massive gravitational influence of a black hole distorts space and time in the near neighbourhood. The closer you get to a black hole, the slower time runs. Material that gets too close to a black hole gets sucked in and can never escape.

Who is above and who is below?

**Fun Box**

**Riddle:**

What type of room has no doors and windows?

ANS: Mushroom

**Tounge Twisters:**

Cinnamon aluminum linoleum.
